

Dealer Login Instructions

www.generalpower.com

1. Access GPE's website at **www.generalpower.com** in your web browser
2. Click the '**Dealer Login**' button, located on the GPE Homepage
*You can also access the dealer login screen by using the **DEALERS** option from the main menu*

3. After accessing the Dealer Login screen, please enter the following information:
 - **User Name:** enter your GPE account number
 - **Password:** reenter your GPE account number
Note: password information is case-sensitive. If your account number contains any letters, they must be in all CAPS

Dealer Login

INVALID USER NAME AND/OR PASSWORD

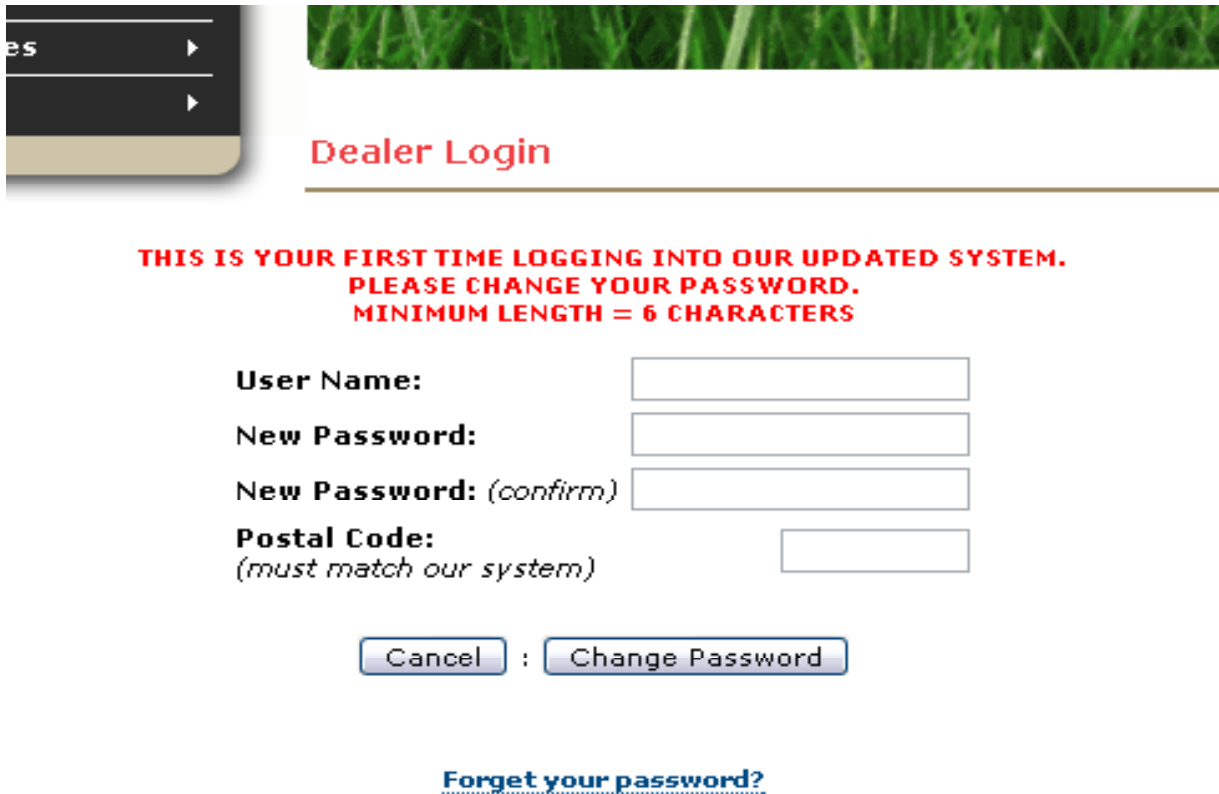

User Name:

Password:

[Forget your password?](#)

- Click the '**Log In**' button

4. A screen will appear (see below), requiring you to set a new password.
You must verify your identity by providing your postal code. This needs to match what we have on file.
